

# Virgin Assassin

## Waco Jesus

Virgin sexually assassinated  
balls deep  
severe vaginal trauma  
inflamed and swollen  
bleeding all over  
I go down and tongue fuck both canals  
consuming her discharge  
virgin assassin taking away your virginity  
raping her purity  
gang raped repeatedly  
inseminated sewn shut  
stagnant cum remains inside her  
reopened her muscles won't return to normal  
useless  
forced to fuck me  
four or five times every day  
so young and pure  
her innocence is taken  
butt fucked so hard  
and for so long her hole stretched out  
until you can't control your bowels  
scenes of decadence  
a fucked up fetish  
I can't control it
