

# Losing You

[Mavis Staples](#)

Was a fool with my money  
And I lost every dime  
The sun stopped shining  
And it rained all the time  
It did set me back some  
Oh but I, I made it through  
But Ill never get over losing you Do you know how much you mean to me?  
Should've told you 'cause it's true  
I'd get over losing anything  
But I'll never get over losing you When youre young  
And theres time  
You forget the past  
You dont think that you will  
But you do  
But I know that I dont have time enough  
And Ill never get over losing you Ive been cold  
Ive been hungry  
But not for a while  
I guess most of my dreams have come true  
With it all here around me  
No peace do I find  
Cause Ill never get over losing you  
No, Ill never get over losing you
