## North Side Kings

Side by side we've stuck through thick and thin. Never turned our backs upon our friends. There's been times we've had to hold our ground. I WILL NEVER LET MY BROTHERS DOWN. ONE FOR ALL AND ALL FOR ONE A CREW WE'LL REMAIN. NOTHING CAN STAND IN OUR WAY, CAUSE OUR LOYALTY REMAINS. Thinking back on all the things we've done. Times have changed... There's so much more to come. ALL IN ALL I CAN STILL SAY I'M PROUD. Cause I have never let my brothers down. I know who's down and who won't sell me short. I THANK GOD FOR ALL THAT I AM, and I know where to turn for support. I'll stand proud for my family and friends. much respect... LOYALTY TILL THE END!!!
