Ladder

Stealing Angels

Today and everyday
Today and everyday
Today and everyday
Today and everydayI'm standin' here in your closet
Unbuttonin' all your clothes
I sleep in your bed tonight
But I never find you homeYou're givin' me crooked answers
I'm crackin' your little code
I'm learnin' another language
So full it's about to explodeYou give me a ladder now
I surely believe I'll climb
It don't even matter now
I'm willing to take my timeI'm gonna love you anyway
Today and everyday
Today and everyday
I'm gonna love you anyway
Today and everyday
Today and everydayI wanted it to be easy
I know that I'll make you tired
Some tell me you're slow and lazy
Some tell me you're so inspiredYou wanted a long flirtation
Your plane doesn't ever land
Some things I don't want to look at
I don't want to understand butYou give me a ladder now
I surely believe I'll climb
It don't even matter now
I'm willing to take my timeI'm gonna love you anyway
Today and everyday
Today and everyday
I'm gonna love you anyway
Today and everyday
Today and everydayToday and everyday
Today and everyday
Today and everyday
Today and everyday
Today and everyday
Today and everydayToday and everyday
Today and everyday
Today, today and everyday

Everyday, everyday
Everyday, everyday
Everyday, everyday
