Love Conquers All

Nanci Griffith

She's a brown skin girl from El Paso City
He's a sweet tempered soldier from Fort Bliss
They ran off one July evening
All concerned said this one is anyone's guessLove conquers all
Love conquers all
And to all concerned you'll survive that fall
'Cause love conquers allShe's a rest home bride up in New Jersey
It's her first trip down the aisle, and it's his second time around
All concerned said she looked so pretty
Dressed in white though she's wheel chair boundLove conquers all
Love conquers all
And to all concerned you'll survive that fall
'Cause love conquers allWhether you're young or old
Near or far, down the road of life
Your chances are to all concerned
Love conquers allShe's a Muslim girl from Motor City
He's an uptight Irish Catholic boy
They found their love in a class on history
And the bells of Ann Arbor rang with joyLove conquers all
Love conquers all
And to all concerned you'll survive that fall
'Cause love conquers allAnd it's love, love, love.
Love conquers all
Yes, it's love, love, love
Love conquers all
