

Sometimes (Alex Sayz Remix Edit)

Donkeyboy

Nationwide

Hey there people here I come

Step the side, Donkeyboys ain't what you wantBut sometimes, I need somebody who can make me feel alright,
And shades me from the streetlights

I'm breaking up, I need someone who needs somebody nowPeople change, change because of who I am
If you don't, than you and I won't get alongBut sometimes, I need somebody who can make me feel alright,
And shades me from the streetlights

I'm breaking up, I need someone who needs somebody nowI need somebody who can make me feel alright, And
shades me from the streetlights.

I'm breaking up, I need someone who needs somebody nowAll these thoughts come too my headBut
sometimes, I need somebody who can make me feel
Alright,

And shades me from the streetlights

I'm breaking up, I need someone who needs somebody nowI need somebody who can make me feel alright,
And shades me from the streetlights

I'm breaking up, I need someone who needs somebody now
Make me feel alright.
