Owned

Turpster

I'm a whore, can't ignore this, my lot
Live in guest house of palace I bought
Guess, my pimp treats me swell, I confess
I'm a whore, might as well be the bestOwned, breaking, sell the kids my soul
Owned, raking, corporation roll
Owned, breaking, sell the kids my soul
Owned, raping, taking five to oneUsed to be beautiful
Never a moment dull
Surely the day will come
Put down when you can't run anymoreI'm a whore, can't complain, this I choose
Trading pleasure for coin, kept court fool
Pay my pimp, treats me right, lets me be
I'm a whore, nothing more, somewhat freeOwned, breaking, sell the kids my soul
Owned, raking, corporation roll
Owned, breaking, sell the kids my soul
Owned, raping, taking five to oneUsed to be beautiful
Never a moment dull
Surely the day will come
Put down when you can't run anymoreUsed to be beautiful
Never a moment dull
You know the day will come
Put down when you can't run anymoreOwned
