

Happy Ending

Brandon Wolf Hill & Sciamachy

[Verse One]

No more pain today
Take a step outside, feel the sun rays
It's a glorious day
Look up in the sky and then I say

[Chorus x2]

Whoa, oh-whoa
Oh-whoa
Whoa

[Verse Two]

Baby I'm happy, happy all day
I'm smoking that Mary, Mary away
Doing it the Minnesota way
He got crafty yelling, "Daddy"
His name was Joe and I think he swallowed
But I don't know, he did a lot of blow
He said, "No homo"
But I said, "Whoa, I'm queen of the homo's"

[Chorus x2]

Whoa, oh-whoa
Oh-whoa
Whoa

[Verse Three]

Oh
You can run, can't hide
Baby hear me out, need you by my side
Give me peace of mind
But I never worry cause I got some time
Oh
Watch my life on replay
Living in the moment like every day
They asking how I'm okay
I look 'em in the eye and here I say

[Chorus x2]

Whoa, oh-whoa

Oh-whoa

Whoa

[Post Chorus]

Whoa

Whoa
