

# Leader

## Bif Naked

Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
What's wrong with you?  
I wash the dishes  
Walk to the post office  
I get some juice in my mouth  
I spit it out  
I spit it out  
I spit it out  
I spit it all over my clean shirt  
It says "Vail"  
Well, I'm not yours or anyone's  
I don't even own myself  
I know you always watch me  
I just wanna be by myself  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
You don't know me  
So don't touch me

I'm not here to validate your behavior

You need to stop

You need to stop

You need to stop talking so fast

I'm not interested

In anything you have to say

I wish you would

Crawl back up to the bar

Tell it to your drink

Tell it to your drink

Tell her who you are

Don't tell me

Don't talk to me

I want you to shut your mouth

Get offa me

Away from me

Got me outa here

Let go of me

Don't bother me

I'm no leader

Get offa me

Away from me

Got me outa here

Let go of me

Don't bother me

Don't wanna be your leader

Get offa me

Away from me

Got me outa here

Let go of me

Don't bother me

I'm no leader

Get offa me

Away from me

Got me outa here

Let go of me

Don't bother me

Don't wanna be your leader

I cannot be your leader

I cannot be your leader

Stop lookin' at me

Stop lookin' at me

Stop lookin' at me

Stop lookin' at me

I brush my teeth

Stop looking at me  
I park my car  
Stop looking at me  
Get on the train  
Stop looking at me  
I turn around  
You stop looking at me  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
I'm no leader  
Get offa me  
Away from me  
Got me outa here  
Let go of me  
Don't bother me  
Don't wanna be your leader  
Don't wanna be your leader  
Don't wanna be your leader  
Don't wanna be your leader  
...
