Release Me

Taproot

[Foreign Content]
Oh, ayi, ayi, ayi
Oh, ayi, ayi, ayi, ya
Oh, ayi, ayi, ayi, yaWhy rise and shine?
Another 21 hours
Ruined by my voiceOh, ayi, ayi, ayi, yaFine gift of mine
Offensive cloudiness showers
Though not by choice yetOh, ayi, ayi, ayi, yaNot just unrelatable
Just release me from what I've done
Release me from what I've done[Foreign Content]
Oh, ayi, ayi, ayi, ya
Oh, ayi, ayi, ayi, yaTying the binds
A bitter will still empowers
But won't fill the voidOh, ayi, ayi, ayi, yaBlind by design
Another stellar potential
View has been destroyed againNot just unattainable
Just release me from what I've done
Release me from what I've doneI've let down what I care for most
It's hypocritical and unforgivable
Lock me up when I'm intentional
And unpredictable, not forgettableRelease me from what I've done
Release me from what I've done
Release me from what I've done
Release me from what I've done
Release me, release me, release[Foreign Content]
Oh, ayi, ayi, ayi, ya
Oh, ayi, ayi, ayi, ya[Foreign Content]
Oh, ayi, ayi, ayi, ya
Oh, ayi, ayi, ayi, ya[Foreign Content]
Oh, ayi, ayi, ayi, ya
Oh, ayi, ayi, ayi, ya
