Queen Of Hearts

Tankard

The day I saw your face
I knew you were my only love
So blonde and innocent
A gift from heaven up aboveI'm praying for our love
Forever I await you call
My room a temple now
A million photos on the wallBaby I need you
The feelings that I get
I want to please you
My dreams are oh so wetPlease don't ignore me
For we must be as one
Oh can you feel me
Oh baby, here I comeFuck all the royalty
I'm in love with the Queen of Hearts
Fuck all the millionaires
I'm in love with the Queen of Hearts
Fuck all the journalists
I'm in love with the Queen of HeartsYou are my Daily
Mirror and my Son
You are my Colour
My Star, oh you're the oneI want to be your
Royal family
Why was the music
By Elton John, not me?They say you're dead and gone
You're livin'deep inside of me
We're lying on the beach
In Mendocino, WaikikiThey say I'm going nuts
But I will bring you back to life
I'll free you from the grave
And, darling, you will be my wifeYou are my Daily
Mirror and my Son
You are my Colour
My Star, oh you're the oneI want to be your
Royal family
Why was the music
By Elton John, not me?Fuck all the royalty
I'm in love with the Queen of Hearts
Fuck all the millionaires
I'm in love with the Queen of Hearts

Fuck all the journalists
I'm in love with the Queen of Hearts
Fuck all the rockstars
I'm in love with the Queen of Hearts
