

Time for Somebody New

Olga

Time for somebody new
Time for somebody new
If they ain't there for you
Time for somebody new

Well, it ain't no welcome idea
Oh, change is never too easy
But sometimes bad things will happen
Sometimes they do, to do you some good

Time for somebody new
Time for somebody new
If they ain't there for you
Time for somebody new

Well, there ain't no one way door
It's gotta swing both ways to work for
Friends and lovers come and they go
Some will stay and some ain't straight no more

Time for somebody new
Time for somebody new
If they ain't there for you
Time for somebody new

Give and take ain't from one side
Give and take ain't only sometimes
Give and take has gotta happen every day
Give and take that is the only way

Time for somebody new
Time for somebody new
If they ain't there for you

Time for somebody new
