Walked from Dallas

Rocky Hill

Walk from Dallas
Walk from Wichita Falls
repeat
The blues they caught me
I couldn't walk at all
Seen me coming
Go get you rocking chair
Seen me coming
Go get your rocking chair
The blues they got me
They got me way down there

Blues they got me
Got me at the break of day
Yes they got me
Got me at the break of day
My engine won't start this morning
I don't now what to say.

Walk from Dallas
Walk from Wichita Falls
repeat
Seen me coming
I couldn't walk at all
