

# Find a Dream

## Crosby, Stills & Nash

Life is uncertain  
Life is unknown  
Life is a shot in the dark  
Life is a curtain  
Always unfolding  
Life is an ember and a spark Don't be a fool  
Stay around for a long time  
Try and find a dream Time avoids no one  
Time is unkind  
Time is a cut to the bone  
Time to take care of  
Time to unwind  
Time is a gift not a loan Don't be a fool  
Stay around for a long time  
Try and find a dream People are endless  
People are strangers  
People are taken to be friends  
People are nervous  
Always in danger  
People are bound to make amends Don't be a fool  
Stay around for a long time  
Try and find a dream
