

# Alive

## Natalie Bassingthwaight

Alive, alive, alive, alive

Never thought the day would come when I'd see  
My reflection smiling right back at me  
It's been a while since I've been happy  
Not sure, that I'm ready  
I never planned on letting love in  
Didn't wanna go back there again

But maybe I could (maybe I should)  
Take a, take a chance on you

Tonight, I'm lost in the music and lights  
I don't wanna let go but I might  
If it's right  
Tonight, tonight, tonight, tonight  
Is this real? Cause this heart is just startin' to heal  
And you're so close to makin' me feel (me feel)  
Alive, alive, alive, alive

I didn't ever think that I'd be given  
Everythin' that I was missing  
It's like somebody out there's listening  
Still not sure, that I'm ready

But maybe I could (maybe I should)  
Take a, take a chance on you

Tonight, I'm lost in the music and lights  
I don't wanna let go but I might  
If it's right  
Tonight, tonight, tonight, tonight  
Is this real? Cause this heart is just startin' to heal  
And you're so close to makin' me feel (me feel)  
Alive, alive, alive, alive

You're makin' me feel, alive, alive  
Alive, alive, alive, alive

I don't know if it's love again

But I'm closer than I've ever been  
You're makin' me wanna let you in (wanna let you in)  
I can feel your energy  
I can't explain the chemistry  
All the signs are telling me  
Take a chance on you

Tonight, I'm lost in the music and lights  
I don't wanna let go but I might  
If it's right  
Tonight, tonight, tonight, tonight  
Is this real? Cause this heart is just startin' to heal  
And you're so close to makin' me feel (me feel)  
Alive, alive, alive, alive

Tonight, I'm lost in the music and lights  
I don't wanna let go but I might  
If it's right  
Tonight, tonight, tonight, tonight  
Is this real? Cause this heart is just startin' to heal  
And you're so close to makin' me feel (me feel)  
Alive, alive, alive, alive
