Stay With Me

Perry Como

Stay with me . . . stay with me
Don't leave me now when you know how I depend on you
Every day . . . every way
My little world revolves all around you . . .
Before you came my way, my days were grim an' gray
But then you smiled, an' I knew dear
My dreams had come true dear . . .
Love is mine . . . you are mine . . .

Now, life is sweet . . .
Let me keep the love you've brought to me
Say it's for . . . evermore
Say that you'll stay with me!
< instrumental break >
Say it's for . . . evermore
Say that you'll stay an' stay
Please say that you'll stay . . . with me!
