

Everyday Is a Holiday with You

Esthero

Met him on Sunday
Loved him by Tuesday afternoon
Woke up on Friday
Changed my whole life to make some room
Around a quarter to two
I have remembered all of my lines
I say when I think of you
But I have a favorite song
That melody, that melody I love
And it goes
La da da da da da da da da da
La da da da da
La da da da da
La da da da
Hopped on the Metro
And I'm on my way home
When I can't get him out of my mind
And I wonder just how hard I try
And if the rumors were true
I could've fell for you sooner
Better days and get away
Are so nice 'cause when I am with you
You're the crescendo to that melody, that melody I love
La da da da da da da da da da
Better days and get away
'Cause every day is a holiday with you
La da da da da.. Better days and get away
'Cause every day is a holiday with you
Gotta let them know
Gotta know for sure
Believe me I'm in the cold
Gotta know for sure
La la la la.. When I think of you
Better days and get away
'Cause every day is a holiday with you
La da da da da da da da da da
Better days and get away
'Cause every day is a holiday with you
La da da da da..
