

# All the Way Up (feat. French Montana)

## Fat Joe & Remy Ma

Nothing can stop me, I'm all the way up  
All the way up  
I'm all the way up  
I'm all the way up  
Nothing can stop me, I'm all the way up

Shorty what you want? Shorty what you need?  
My niggas run the game, we ain't ever leavin'  
Countin' up this money, we ain't never sleepin'  
You got V12, I got 12V  
Got bottles, got weed, got molly  
I'm all the way up  
Shorty what you want? I got what you need  
Shorty what you want? I got what you need  
Shorty what you want? I got what you need

I'm all the way up  
I'm all the way up  
I'm all the way up  
All the way up  
Nothing can stop me, I'm all the way up

For my niggas with Bentley coupes and Rolexes  
Kicked the bitch out the room and gave her no breakfast  
Had to stash the jewels, these bitches so reckless  
Keep my hoes on cruise, I'm talkin' naughty nothings  
Shorty uptown showin' off her new things  
Couldn't take it all so I gave her un chin  
She call me top shotta, yeah I keep a few tings  
Champion sound, yeah I got a few rings  
And I'm all the way up  
And you can stay up  
And if you ask anybody where I live  
They'll point to the hills and say  
Go all the way up  
Go all the way up  
I'm all the way up  
I'm all the way up

Nothing can stop me, I'm all the way up

Just left the big house to a bigger house  
Ain't have a girlfriend but the bitch is out  
Chanel croc bag, shit ain't even out  
With the gold chains, Himalayan, Birkin cocaine  
Lit it up, Pac shit, I hit 'em up  
I'm talkin' color money, purple yen and blue dirham  
I got brown lira, I ain't talkin' 'bout Ross bitch  
I'm that nigga on Viagra dick  
That means I'm all the way up  
And you can stay up  
P.O.s say I can't get high  
Hopped in the helicopter Uber and said...  
Go all the way up  
Go all the way up

I'm all the way up  
I'm all the way up  
Nothing can stop me, I'm all the way up

[Bridge: French Montana + Fat Joe]  
Shorty what you want? Shorty what you need?  
My niggas run the game, we ain't ever leavin'  
Countin' up this money, we ain't never sleepin'  
You got V12, I got 12V  
Got bottles, got weed, got molly  
I'm all the way up  
Shorty what you want? I got what you need  
Shorty what you want? I got what you need  
Shorty what you want? I got what you need

I'm all the way up  
Nothing can stop me, I'm all the way up  
All the way up  
I'm all the way up  
I'm all the way up  
Nothing can stop me, I'm all the way up
