Ghost Train

Chicola

Here they come to steal my soul
(Ghost train)
Wait it out until I know
(Ghost train)
Tryin' not to feel like you did
(Ghost train)
Movin' up until I go, go
(Ghost train)
She was not to hear about me leavin'
(Ghost train)
Tryin' to hear in my heart
(Ghost train)
Tryin' not to feel like we did
(Ghost train)
Movin' up until I'm taught to your side
(Ghost train)
Yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah
(Ghost train)
Got suicide for my baby
(Ghost train)
Livin' up until I'm wanted
(Ghost train)
Seein' like I'm all that felt that
(Ghost train)
Movin' up and taught I'm a weapon
(Ghost train)
Yeah, yeah, yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah, yeah, yeah

(Ghost train)
I see myself pretend how I get there
(Ghost train)
Dreamin' down I'm poisoned I must be
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on

(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Train
Got suicide for my baby
(Ghost train)
Livin' up until I'm wanted
(Ghost train)
Seein' like I'm all that felt that
(Ghost train)
Movin' up and taught I'm a weapon
(Ghost train)
Yeah, yeah, yeah, yeah, yeah
(Ghost train)
Yeah, yeah, yeah, yeah, yeah
(Ghost train)
I see myself pretend how I get there
(Ghost train)
Dreamin' down I'm poisoned I must be
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)

Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
Come on, come on, come on
(Ghost train)
