I'm In Love

Meiko

Today I found a feeling I thought I lost a long time ago Today he's got me reeling From a meeting of our soulsLa la la La la laToday he said he loved me And I know I love him just the same Today feeling good is easy I never thought I could be This way againLa la la My heart keeps singing La la la When he's aroundI'm in love I'm in love

I'm in love

I'm in love

I'm in love

I'm in love

I'm in love

I'm in love

I'm in loveBum bumToday I found a feeling

I thought I lost a long time ago

Today he's got me reeling

From a meeting of our soulsLa la la

La la laI'm in love

I'm in love

I'm in love
