

Reflection

Tool

I have come curiously close to the end, down
Beneath my self-indulgent pitiful hole
Defeated, I concede and
Move closer
I may find comfort here
I may find peace within the emptiness
How pitifulIt's calling me
It's calling me
It's calling me
It's calling me
And in my darkest moment, fetal and weeping
The moon tells me a secret, my confidant
As full and bright as I am
This light is not my own and
A million light reflections pass over meIts source is bright and endless
She resuscitates the hopeless
Without her, we are lifeless satellites driftingAnd as I pull my head out I am without one doubt
Don't want to be down here feeding my narcissism
I must crucify the ego before it's far too late
I pray the light lifts me out
Before I pine away
Before I pine away
Before I pine away
Before I pine awaySo crucify the ego, before it's far too late
To leave behind this place so negative and blind and cynical
And you will come to find that we are all one mind
Capable of all that's imagined and all conceivable
Just let the light touch you
And let the words spill through
And let them pass right through
Bringing out our hope and reasonBefore we pine away (pine away)
Before we pine away (pine away)
Before we pine away (pine away)
Before we pine away
