Heaven On Earth

The Mission

I am caught in the heat
Hold your head as you sleep
How can I close my eyes watching you
Such a fever inside from emotions within
Burning the night with the truth
Sweetest poison - positive attraction
Raging in my mind

Oh if you walk away
You'll take the life from me
Oh if you walk away
You'll take the air I breathe
Life would be lonely

More than you'll ever know
'cos you've put all heaven on earth
I hear the sound of your voice
On the breach of the wind
I feel the touch of an angel
Next to my skin
It cuts so deep inside
It draws out the life
Harder with every time
Sweetest poison - positive attraction
Raging in my mind
