

# Yesterdays

## Switchfoot

Flowers cut and brought inside  
Black cars in a single line  
Your family in suits and ties  
And youre freeThe ache I feel inside  
Is where the life has left your eyes  
Im alone for our last goodbye  
But youre freeI remember you like yesterday, yesterday  
I still cant believe youre gone, oh  
I remember you like yesterday, yesterday  
And until Im with you, I carry onAdrift on your ocean floor  
I feel weightless, numb and sore  
A part of you and me is torn  
But youre freeI woke from a dream last night  
I dreamt that you were by my side  
Reminding me I still had life  
In meI remember you like yesterday, yesterday  
I still cant believe youre gone, oh  
I remember you like yesterday, yesterday  
And until Im with you, I carry on  
Ill carry on, oh, Ill carry onEvery lament is a love song, a love song  
(Yesterday, yesterday)  
I still cant believe youre gone, ohEvery lament is a love song, a love song  
(Yesterday, yesterday)  
Oh, so long my friend, so long
