

Yesterdays

Switchfoot

Flowers cut and brought inside
Black cars in a single line
Your family in suits and ties
And youre freeThe ache I feel inside
Is where the life has left your eyes
Im alone for our last goodbye
But youre freeI remember you like yesterday, yesterday
I still cant believe youre gone, oh
I remember you like yesterday, yesterday
And until Im with you, I carry onAdrift on your ocean floor
I feel weightless, numb and sore
A part of you and me is torn
But youre freeI woke from a dream last night
I dreamt that you were by my side
Reminding me I still had life
In meI remember you like yesterday, yesterday
I still cant believe youre gone, oh
I remember you like yesterday, yesterday
And until Im with you, I carry on
Ill carry on, oh, Ill carry onEvery lament is a love song, a love song
(Yesterday, yesterday)
I still cant believe youre gone, ohEvery lament is a love song, a love song
(Yesterday, yesterday)
Oh, so long my friend, so long
