

Be With You

Leslie Clio

Don't need the world, don't need the world I'll be on fire
'Cause baby I got you
I'll sail the world, I'll sail the world, I travel lighter
Only to be with you
Only to be with you And I say it doesn't really matter now where I be
All that really matters where I'll be, I'll be, I'll be
Oh, with you I be, I be Need no more words, no, no more words no fire starter
'Cause baby I got you
I spread the world, I spread the world and I find harder
Only to be with you
only to be with you And I say it doesn't really matter now where I be
All that really matters where I'll be, I'll be, I'll be
Oh, with you I be, I be
And I say it doesn't really matter now where I be
All that really matters where I'll be, I'll be, I'll be
Oh, with you I be, I be I be with you, I be with you, I be with you
I be with you, I be with you, I be with you Don't need the world, don't need the world I'll be on fire
'Cause baby I got you
I'll sail the world, I'll sail the world, I travel lighter
Only to be with you
Only to be with you And I say it doesn't really matter now where I be
All that really matters where I'll be, I'll be, I'll be
Oh, with you I be, I be And I say it doesn't really matter now where I be
All that really matters where I'll be, I'll be, I'll be
Oh, with you I be, I be I be with you, I be with you, I be with you
I be with you, I be with you, I be with you
