

# Right Hand On My Heart

## The Whigs

All the fallen leaves will find their branches again  
Raindrops from the heavens, I'll eventually swim  
A river, an ocean, a wave in my heart  
We got your money now we'll make a new start  
All the fallen leaves will find their branches again  
Raindrops in the heavens I'll eventually swim  
River, an ocean, a wave in my heart  
We got your money now we'll make a new start  
In another week, promise?  
In another year, I promise?  
Put your right hand on my heart  
Heart  
All the fallen leaves will find their branches again  
The raindrops in the heavens, I'll eventually swim  
Don't bypass the train-tracks that lead to my heart  
We got your money now we'll make a new start  
All the fallen leaves will find their branches again  
Raindrops in the heavens, I'll eventually swim  
River, an ocean, a wave in my heart  
We got your money now we'll make a new start, alright  
In another week, promise?  
In another year, promise?  
Put your right hand on my heart  
Heart  
Your right hand on my heart  
Your right hand on my heart  
Feel the promise of my beating heart  
All the fallen leaves will find their branches again  
Raindrops in the heavens, I'll eventually swim  
River, an ocean, a wave in my heart  
We got your money now we'll make a new start
