

# My Boo

## My Boo

There's always that one person that will always have your heart  
You'll never see it comin', 'cause you're blinded from the start  
Know that you're that one for me, it's clear for everyone to see  
Ooh baby, oh, you will always be my boo

(You gotta rock away to this one)

See, I don't know about y'all, but I know about us and

It's the only way we know how to rock

I don't know about y'all, but I know about us and

It's the only way we know how to rock

Do you remember girl, I was the one who gave you your first kiss  
'Cause I remember girl I was the one who said put your lips like this

Even before all the fame and people, screamin' your name

Girl, I was there and you were my baby

It started when we were younger you were mine, my boo

Now another brother's taken over but it's still in your eyes, my boo

Even though we use to argue it's alright, my boo

I know we haven't seen each other in a while

But you will always be my boo

I was in love with you when we were younger you were mine, my boo

And when I see you from time to time I still feel like, my boo

And you can see it no matter how I try to hide, my boo

And even though there's another man who's in my life

You will always be my boo

Yes, I remember boy, 'cause after we kissed

I could only think about your lips

Yes, I remember boy, the moment I knew you were the one

I could spend my life with

Even before all the fame and people, screamin' your name

I was there and you were my baby

It started when we were younger you were mine, my boo

Now another brother's taken over but it's still in your eyes, my boo

Even though we used to argue it's alright, my boo

I know we haven't seen each other in a while

But you will always be my boo

I was in love with you when we were younger you were mine, my boo

And when I see from time to time I still feel like, my boo

And you can see it no matter how I try to hide, my boo

And even though there's another man who's in my life

You will always be my boo

Oh my, oh my, oh my, oh my, my boo  
My oh, my oh, my oh, my boo  
It started when we were younger you were mine, my boo  
Now another brother's taken over but it's still in your eyes, my boo  
Even though we use to argue it's alright, my boo  
I know we haven't seen each other in a while  
But you will always be my boo  
I don't know bout y'all, but I know about us and  
It's the only way we know how to rock  
I don't know bout y'all, but I know about us and  
It's the only way we know how to rock  
It started when we were younger, my boo  
Now another brother's taken over
