

I'll Be Missing You (featuring Faith Evans & 112)

Puff Daddy

Seems like yesterday we used to rock the show
I lace the track you lock the flow
So far from hanging on the block of dough
Notorious they got to know that
Life ain't always what it seem to be
Words can't express what you mean to me
And though you're gone
We still a team
Through your family I'll fulfill your dreams
In the future can't wait to see
If you'll open up the gates for me
Reminisce sometime
The night they took my friend
Try to black it out but it plays again
When it's weird feelin' it's really hard to conceal
Can't imagine all the pain I feel
Give everything to hear half your breath
I know you still livin' your life after death Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you Thinking of the day
When you went away
What a life to take
What a bond to break
I'll be missing you It's kind of hard wit you not around
Know you in heaven smilin' down
Watchin' us while we pray for you
Everyday we pray for you
'Till the day we meet again
In my heart is where I'll keep you friend
Memories give me the strength I need to proceed
Strength I need to believe
My thoughts big I just can't define
Wish I could turn back the hands of time
Bust in the six
Shop for new clothes and kicks
You and me taking flicks
Making hits stages they receive you on

Still can't believe you're gone
Give anything to hear half your breath
I know you still livin' your life after death Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you Thinking of the day
When you went away
What a life to take
What a bond to break
I'll be missing you Somebody tell me why
On that morning
When this life is over
I know
I'll see your face Every night I pray
Every step I take
Every move I make
Every single day
Every night I pray
Every step I take
Every move I make
Every single day
Every time I pray
Every step I take
Every move I make
Every single day
Every night I pray
Every step I take
Every move I make
Every single day
Every time I pray Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you Thinking of the day
When you went away
What a life to take
What a bond to break
I'll be missing you Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you Thinking of the day
When you went away
What a life to take

What a bond to break
I'll be missing you Every step I take
Every move I make
Every single day
Every time I pray
I'll be missing you Thinking of the day
When you went away
