Fine

Burning Heads

Will you believe me when I say I woke up before the sun today (almost...)
Hadn't happened in a while it never happens with a smile
It's funny how things come easy sometimes I cleared out the crap I had inside
From now on I decide I'm taking control taking controlFrom now on I will decide I'll be looking on the bright side
And today I won't complain and tomorrow I'll feel fineI won't put my life in other's hands that is more that I can stand
I'd rather play heads than tail and I am never gonna failIt's funny how things come easy sometimes I cleared out the crap I had inside
From now on I decide I'm taking control taking controlFrom now on I will decide I'll be looking on the bright side
And today I won't complain and tomorrow I'll feel fineNo matter what they say no matter what they do
No matter what they say today I'm taking controlAnd if it's for twenty seconds i'm taking control even if it doesn't last longer I'm taking control
From now on I will decide I'm taking control and today I won't complain I'm taking controlFrom now on I will decide I'll be looking on the bright side and today I won't complain
And tomorrow...
