

Call Me Your Doctor

Graham Parker

Pre>bm g (twice)E a d g
Call me your doctor if you want, I'll get the cure out
E a bm
To be administered before sleep
E a d
Call out the thing you really want and I'll be there
G
I'll make a housecall
E a bm g
I'll find the problem's root no matter how deepChorusG bm a g a
Call me your doctor call me your doctor
Call me your doctor call me your doctorMy hours can be flexible I'll never fail you girl
I'll lay my practice out at your feet
I don't have the skill to save the world
The national health is not my concern
But I'm legitimate ain't no cheat (then) chorus (then) instrumental verseE a d g
Call me your doctor if you want I'll be there with bedside manners
E a bm g
I'd love to treat you baby treat you real good (then) repeat chorus
E a d g
Oooh ooh ooh ooh oooh uh uh uh uh oh yeah
E a d g
Call me your doctor oooh ooh ohh ay ay ay
E a d g
Call me your doctor oh oh oh yeah
E a d g
Call me your doctr (fade on whistling) /pre>
