

For You

Casey Donovan

Your heart is my soul
You life is my whole entire world
Your love is for me and nobody else ohoh why can't you see[bridge]
Every breath that you take all the love that we make.
I know you'll be here for goodAnd i'll be here for you
'n i'll be here for youFor every second we're apart all the times that your not here to comfort me.
For every minute your
Not here you know that i miss you so much[bridge]
Every breath that you take all the love that we make.
I know you'll be here for goodAnd i'll be here for you
'n i'll be here for youCause every second your not here every moment that we're apart
You know i'll be right here waitin, right here waitin for youEvery breath that you take all the love that we
make...I'll be there for you [x2]
Yeah yeah yeahaI'll be there for you (for you yes i will)
I'll be there for you (i'll always be there)
I'll be there for you (for youoooo)
