

# Solitude (Live In Athens, 2007)

## Candlemass

I'm sitting here alone in darkness  
Waiting to be free,  
Lonely and forlorn I am crying  
I long for my time to come  
Death means just life  
Please let me die in solitudeHate is my only friend  
Pain is my father  
Torment is delight to me  
Death is my sanctuary  
I seek it with pleasure  
Please let me die in solitude...Receive my sacrifice  
My lifeblood is exhausted!  
No one gave love and understanding  
Hear these words,  
Vilifiers and pretenders  
Please let me die in solitudeEarth to earth  
Ashes to ashes  
Dust to dustEarth to earth  
Ashes to ashes  
Dust to dust...Sitting here alone in darkness  
Waiting to be free,  
Lonely and forlorn I am crying  
I long for my time to come  
Death means just life  
Please let me die in solitudeEarth to earth  
Ashes to ashes  
Dust to dustEarth to earth  
Ashes to ashes  
Dust to dustEarth to earth  
Ashes to ashes  
Dust to dustEarth to earth  
Ashes to ashes  
Dust to dustAnd please let me die in solitude...
