

# C'mon, C'mon

Sheryl Crow

C'mon, c'mon, c'mon, c'mon, c'mon  
You lay down with angels to feel yourself again  
You've got everything you need under your thick skin  
Well, I know where you're going, I know where you've been  
When it comes to playin' games, you will always win  
C'mon, c'mon, c'mon, break my heart again  
For old times sake  
C'mon, c'mon, c'mon, break my heart again  
For old times sake  
You can't see your shadow reaching for the sky  
Lay your head down on my bed, please, don't ask me why  
Why am I leaving, why don't I know?  
Something deep inside me is forcing me to go  
And you say you need me, but you can't tell me, no  
And when I ask you to stop me, baby, you just let me go  
C'mon, c'mon, c'mon, break my heart again  
For old times sake  
C'mon, c'mon, c'mon, break my heart again  
Before day breaks, hey, baby  
You took the best of me and threw it away  
Too bad, the rest of me still wants you to stay  
Want you to stay, oh, baby, want you to stay  
C'mon, c'mon  
You say you need me, but you can't tell me, no  
When I ask you to stop me, baby, you just let me go  
You just let me go  
C'mon, c'mon, c'mon, break my heart again  
For old times sake  
Oh, c'mon, c'mon, c'mon, break my heart again  
That's all that it takes, c'mon now, c'mon, c'mon  
C'mon, c'mon, c'mon, break my heart again  
For old times sake  
C'mon, c'mon, c'mon, break my heart again  
Break my heart  
Oh, I know, I know, I know  
You know how to break my heart
