

Duppy Conqueror (Version 4)

Bob Marley & The Wailers

Yes, me friend, me friend
Dem set me free again
Yes, me friend, me friend
Me deh 'pon street againThe bars could not hold me
Force could not control me now
They try to keep me down
But God put me around. Yeah!Yes, I've been accused
Wrongly abused now
But through the powers of the Most High
They've got to turn me looseDon't try to cold me up on this bridge, now
I've got to reach Mount Zion
The highest region
If you a bull-bucka
Let me tell you that
I'm a duppy conqueror, conquerorYes, me friend, me good friend
Dem set me free again, mm
Yes, me friend
Dem turn me loose againDon't try to cold me up on this bridge, now
I've got to reach Mount Zion
The highest region
If you a bull-bucka
Let me tell you
I'm a duppy conqueror, conquerorYes, me friend, me friend, me friend, me friend
We deh a street again
Yes, me friend, me friend, me friend
Dem set me free againDon't try to show off
Fi make you friend dem laugh, what a la-la!
For i will cut you off
And i will take the last strawI'm crying, yes me friend
We deh a street again
Yes me friend, me friend, me friend
Dem set me free againThe bars could not hold me
Force could not control me now
