Bel Ami

Boney M

He's a casanova (yeah yeah what'd I say?)
He's a busy lover (yeah yeah what'd I say?)
Everybody's trying to tell me
That I'm wasting time away
Too cool for one woman (yeah yeah what'd I say?)
My bel ami - I'm born to be with you
My bel ami - I don't care what you do
My bel ami - whenever you're with me
My bel ami - I'm happy (what'd I say)
My bel ami
My bel ami
It won't last forever (yeah yeah what'd I say?)
He's just like the weather (yeah yeah what'd I say?)
Life with him is so exciting
Heights to the lows from day to day
Something's always happening (yeah yeah what'd I say?)
My bel ami - I'm born to be with you
My bel ami - I don't care what you do
My bel ami - whenever you're with me

My bel ami - I'm happy (what'd I say)
My bel ami
My bel ami
My bel ami
My bel ami - I'm born to be with you
My bel ami - I don't care what you do
My bel ami - whenever you're with me
My bel ami - I'm happy
My bel ami
My bel ami - I'm born to be with you
My bel ami - I don't care what you do
My bel ami - whenever you're with me
My bel ami - I'm happy
My bel ami
3rd verse, unreleased:
He can't deny some offers ... yeah yeah what I say
He's got more than the others ... yeah yeah what I say
Why should I be mad about it
That's the price I have to pay

In a world of competition ... yeah yeah what I say
