Take Me Out

Franz Ferdinand

So if you're lonely, you know I'm here waiting for you
I'm just a cross-hair, I'm just a shot away from you
And if you leave here, you leave me broken shattered I lie
I'm just a cross-hair, I'm just a shot then we can die
I know I wont be leaving here with youI say, "Don't you know?"

You say, "You don't know"

I say, "Take me out"

I say, "You don't show"

Don't move time is slow

I say, "Take me out"Well I say, "You don't know"

You say, "You don't go"

I say, "Take me out"

If I move this could die

And eyes move this could die

I want you to, to take me outI know I won't be leaving here

(With you)

I know I won't be leaving here

I know I won't be leaving here

(With you)

I know I won't be leaving here with youWell I say, "Don't you know?"

You say, "You don't know"

I say, "Take me out"

If I wane this could die

I wait this could die

I want you to take me outIf I move this could die

Eyes move this can die

Come on, take me out I know I won't be leaving here

(With you)

I know I won't be leaving here

(With you)

I know I won't be leaving here

(With you)

I know I won't be leaving here with you
