River

Blue Rodeo

It's coming on Christmas
Cutting down trees
Putting up reindeers
Singing songs of joy and peace slowly

Wish I had a river
I could skate away on

It don't snow here
Stays pretty grief
Gonna make a lot of money
Quit this crazy scene

I wish I had a river
I could skate away on

I wish I had a river
So long
I teach my feet
Fly

Oh, I wish I had a river
I could skate away on

I made my baby cry
