Miss Me More

I told you so
so baby why'd you go
I know I'm gonna miss you
You gonna miss me more
oh you gonna miss me moreWell I'm gonna cry
a few sleepless nights
wait up with someone
and it won't feel rightI'm gonna cuss your name
but this mess I'm in
I'm gonna dial your number
just to hang up againSo when the table's turn you're really goin'
I told you so
so baby why'd you go
I know I'm gonna miss you
You gonna miss me more
When you're feelin' lonely
don't come around my door
'cause I'm gonna miss you
you're gonna miss me more
oh you're gonna miss me moreWhen you least expected
you'll hear a song
that sparks a feeling
that you said was goneOh it'll hit you that I loved you
you threw it all away
you have second thoughts
Oh a second too late
'cause you remember the wayI told you so
so baby why'd you go
I know I'm gonna miss you
You gonna miss me more
so when you're feelin' lonely
don't come around my door
'cause I'm gonna miss you
you're gonna miss me more
oh you're gonna miss me moreI told you so
so baby why'd you go
I know I'm gonna miss you
You gonna miss me more
so when you're feelin' lonely

don't come around my door
'cause I'm gonna miss you
you're gonna miss me more
oh you're gonna miss me more
oh you're gonna miss me more
oh you're gonna miss me more
oh you're gonna miss me more
oh you're gonna miss me
