So Low, So High

Maps

We're at two feet down
We're at two feet high
We can't create our scene
So why destroy our time?Think I lost my girl
But I'm running off
Spending most of my time
Forgetting at all costsFound her 'neath thy sounds
Found her love distant
Strange you feel so low
Then you feel so highStrange you feel so low
Then you feel so highThen you feel so high
Then you feel so high
Then you feel so high
Then you feel so high
