## Mike Jones, Mike Jones (Featuring Big Moe) & Big M

Mike Jones, Jones

Mike Jones, Jones

[Hook - 2x Big Moe]

I stay flossing in that candy paint

Blowin dank

Sippin drank on 84 swangers

Tearin up the lane, tearin up the laaaaaaaane

[Verse 1: Mike Jones]

Lil daddy you can tell I'm ballin

From the way I'm flossin 84s I am crawlin

Screens fallin as I slide up and down your block

With a chain full of rocks and princess cuts in my watch

Mike Jones

I'm hot now a lot of people callin

But back then they left Mike Jones crawlin

I'm rising they fallin

Cuz I stayed up on my grind

Didn't have time to whine

Had to put it dine (down)

I'm Mike Jones

Who...Mike Jones

Who...Mike Jones, Jones

And I'm a stay putting it down until the end

Pimpin pens

Tryin to put a brand new benz in the wind

Cuz

[Hook - 2x]

[Verse 2: Mike Jones]

I pull up in a drop top holding grain

Parking lot pimpin mayne

I ain't even trippin mayne

Screens rain as I slide up and down the block

Ride daily holding glock

Cuz I know haters plot

You might see me SUV on 24s

Or I might be flippin tippin on four vogues

Mike Jones

But they gone be even madder when that jag leave the lot
