

Montage

Various Artists

The hours approaching, just give it your best
You got to reach your prime.
Thats when you need to put yourself to the test,
And show us a passage of time,
Were going to need a montage (montage)
Oh it takes a montage (montage)Sure a lot of things happing at once,
With mind, everyone whats going on (whats going on?)
And when every shot you show a little improvement
Just Show it or it will take to long
thats called a montage (montage)
Oh we want montage (montage)And anything that we want to know, from just a beginner to a pro,
You want a montage (montage)
even rocky had a montage (montage)(Montagemontage)Anything that we want to know, from just a beginner to
a pro,
You need a montage (montage)
Oh it takes a montage (montage)Always fade out in a montage,
If you fade out, it seem like more time
Has passed in a montage,
Montage
