Happy and You Know It

Vickie Winans

If your happy and you know it clap your hands (your hands)
If your happy and you know it clap your hands (your hands)
If your happy and you know it (oh yeah) then you really ought to show it
If your happy and you know it clap your hands.

All yeah come on babies.
All the kids all over the world from 0-99

If you happy and you know it clap your hands (your hands)
If your happy and you know it clap your hands (your hands)
If your happy and you know it, then you really ought to show it
If your happy and you know it clap those hands (your hands)
