It's My Way

[Webb Pierce](#)

I'll live every day for you
I'll breath ever breath for you
And if I'm mean and make you blue
It's my way of loving youIf I say that you're untrue
And it breaks your heart in two
I can't help these things I do
It's my way of loving youTry to understand my love look into my heart
Can't you see I'd want to die if we'd ever part
All my life I'll love you so there'll be times it may not show
That my love for you is true, it's my way of loving youTry to understand my love look into my heart
Can't you see I'd want to die if we'd ever part
All my life I'll love you so there'll be times it may not show
That my love for you is true, it's my way of loving you
