Celestial Creatures

Wild Beasts

The heavens hang heavy on you tonight

But I'm a bit cold, your only hope

The only thing to keep your guts from spilling outHandsome woman, what you want with me?

You're a deity and I'm nothing but my beliefs

Yeah, they take me there to [?]

Where the heavens are

Where the angels sip champagne

And every fiber remains so alive

We are celestial creaturesWhat you want with me?

You're a deity and I'm nothing but my beliefs

Yeah, they take me there to [?]

Where the heavens are

Where the angels sip champagne

Every fiber remains so alive

Oh these are blessed times, wooo hooo

We are celestial creatures, ooohEvery fiber remains so alive

Oh these are blessed times, wooo hooo

We are celestial creatures, ooohThese are blessed times that we're living in

Down here on earth all is forgiven

These are blessed times that we're living in

Down here on earth all is forgiven

These are blessed times that we're living in

These are blessed times that we're living in

Down here on earth all is forgiven

These are blessed times that we're living in

These are blessed times that we're living in
