Sorry

Lene Marlin

Do you wanna know what I think of you?
Do you wanna know?
Do you wanna know if I'm doing OK?
Just ask and I'll sayI'll say the words that I've longed to speak
Have kept quiet for some timeI'm sorry, it's just too late
To get it all back, get back what we had
I'm sorry, it's just not right
We both know it wasn't meant to be like this at allDo you wanna know how I feel about you?
Do you wanna know?
Do you wanna know if I'm able to forget?
There are times I wish we'd never metI'm sorry, it's just too late
To get it all back, get back what we had
I'm sorry, it's just not right
We both know it wasn't meant to be like this at allTime won't change that, change the way I feelI'm sorry, it's just too late
To get it all back, get back what we had
I'm sorry, it's just not right
We both know it wasn't meant to be like this at allI'm sorry, it's just too late
To get it all back, get back what we had
I'm sorry, it's just not right
We both know it wasn't meant to be like this at all
I'm sorry, I'm sorry
