

Apparently

J. Cole

Oh right, oh
Oh why na-da-da-da
I keep my head high
I got my wings to carry me
I don't know freedom
I want my dreams to rescue me
I keep my faith strong
I ask the Lord to follow me
I've been unfaithful
I don't know why you call on me This is my canvas
I'ma paint it how I want it baby, oh I
This is my canvas
I'ma paint it, paint it, paint it, how I want it nigga
Fuck you cause there
There is no right or wrong
Only a song
I like to write alone
Be in my zone
Think back to Forest Hills, no perfect home
But the only thing like home I've ever known
Until they snatched it from my mama
And foreclosed her on the loan
I'm so sorry that I left you there to deal with that alone
I was up in New York City chasin' panties gettin' dome
Had no clue what you was goin' through
How could you be so strong?
And how could I be so selfish, I know I can be so selfish
I could tell by how I treat you with my girl
Damn she so selfless, but she put up with my way
Because she loves me like you do
And though it do not always show I love her just like I love you
And I need to treat you better
Wish you could live forever, so we could spend more time together I keep my head high
I got my wings to carry me
I don't know freedom
I want my dreams to rescue me
I keep my faith strong
I ask the Lord to follow me
I've been unfaithful

I don't know why you call on me Apparently, you believe in me, you believe in me
Apparently, you believe in me and I thank you for it Another day another rhyme ho
Another day another time zone
Today I woke up feelin' horny so it's only right
I got two bitches playin' on my trumbone
Keep up, never sure where the words would take me
Niggas eat em up, and regurgitate me
Shit trump tight never slurred or lazy
Give em' words and the urge to raise me
Nigga please
Best friends really make great for enemies
My watch came niggas can't wait for one of these
I see you nigga, this ain't no Rolex, it's a AP nigga
I'm hot dog, catch up to me nigga
Uh, couldn't resist
Aim for the stars and I shit in the mist
But I was ridin' on fumes so I stopped by the moon
Now I'm sittin' on the hood of this bitch
Like thanks for the view
Waitin' on thanks from a few cause without me you wouldn't exist
You know that shit gave you the blueprint don't forget
Cole is your phone on zero percent
Going off, now niggas showin' off
Niggas swear they hard but they flowin' soft
I'm taking off like boing on a big ass Boeing
Gettin' head like a coin toss
Too easy I keep my head high
I got my wings to carry me
I don't know freedom
I want my dreams to rescue me
I keep my faith strong
I ask the lord to follow me
I've been unfaithful
I don't know why you call on me Apparently, you believe in me, you believe in me
Apparently, you believe in me and I thank you for it
