

Virus

Iron Maiden

There's an evil virus that's threatening mankind
Not state of the art, a serious state of the mind
The muggers, the backstabbers, the two faced elite
A menace to society, a social disease Rape of the mind is a social disorder
The cynics, the apathy one-upmanship order Watching beginnings of social decay
Gloating or sneering at life's disarray
Eating away at your own self esteem
Pouncing on every word that you might be saying Rape of the mind is a social disorder
The cynics, the apathy one-upmanship order Superficially smiling a shake of the hand
As soon as the back is turned treachery is planned Rape of the mind is a social disorder
The cynics, the apathy one-upmanship order Watching beginnings of social decay
Gloating or sneering at life's disarray When every good thing's laid to waste
By all the jealousy and hate
By all the acid wit and rapier lies And every time you think you're safe
And when you go to turn away
You know they're sharpening all their paper knives All in your mind
All in your head
Try to relate it All in your mind
All in your head
Try to escape it Without a conscience they destroy
And that's a thing that they enjoy
They're a sickness that's in all our minds They want to sink the ship and leave
The way they laugh at you and me
You know it happens all the time All in your mind
All in your head
Try to relate it All in your mind
All in your head
Try to escape it The rats in the cellar you know who you are
Or do you? Watching beginnings of social decay
