

# Man Like Me

## Dylan LeBlanc

The moment I gave in  
To the pleasures of man  
Some they called it weakness  
While others called it sin  
Oh brother, hear the trouble  
That I'm inWell I made a lot of money  
And I bought a lot of things  
And I had-a many women  
'N they tried to marry me  
But the pardon never came  
Before the pleaNow they're long gone  
And things I've said and done  
Have always been completely as I please  
Now I feel I can say  
In the morning that is today  
Trying to find a better way to be  
For a man like me.I remember as a young man  
Well I played the hand they dealt  
While I tried to bury  
All the ways it felt  
But as a man I thought you knew me  
Fairly well
