## Voivod

reborn  
in need of energy  
reform to bring on anarchy  
can't you see  
tou must be  
return of the forgotten race  
tonight there is no time to waste  
you must be  
can't you see  
vital demon  
spirit of zoth  
toxic vapor  
leader of souls  
you will be  
you will see  
anark  
transmute  
become the moon  
zoth is free  
mercury  
zoth is free  
anarchy  
anark  
conclude  
reform  
renew  
return  
conquer once again...
