

A Little Bluer Than That

[Alan Jackson](#)

Well, tonight if you turn your radio on
You might hear a sad, sad song
About someone who lost everything they had
It may sound like me
But I'm a little bluer than that
When you look out in the morning, you might see
Clouds rolling by like memories
And a big old sky above you lookin' back
You may think of me
But I'm a little bluer than that
Where did we go wrong? I wish I knew
It haunts me all the time
Now wherever I go and whatever I do
You're always on my mind
I can picture you in his arms tonight
As for me, it don't feel right

To let us fade like some old photograph
It may work for you
But I'm a little bluer than that
Where did we go wrong? I wish I knew
It haunts me all the time
Now wherever I go and whatever I do
You're always on my mind
So tonight if you turn your radio on
You might hear a sad, sad song
About someone who lost everything they had
It may sound like me
But I'm a little bluer than that
You may think of me
But I'm a little bluer than that
